### OVERVIEW

Scott Stokes, a shareholder of the firm, concentrates on corporate, mergers and acquisitions, securities, investment management and financial services matters.

His practice includes a variety of general corporate/business law areas, including the organization, operation and financing of business entities, mergers and acquisitions, contracts and all matters within the scope of business operations. Scott also focuses on work in the investment management field, helping form registered investment advisers and broker-dealers and assisting them with regulatory and compliance matters. Additionally, his investment management work includes onshore and offshore fund formation including private equity, venture capital, hedge, real estate and other fund complexes.
