COVID-19 Economic Relief Webinar Now Available Online

By: Rich May

Thanks to everyone who attended and contributed to our webinars on economic relief for small businesses under the CARES Act and Families First First Coronavirus Relief Act! We hope these presentations provided some clarity for the fast-moving economic and legal developments of the past month. We will continue to provide updates as the new guidance and materials become available. A collection of Rich May's coverage on the Coronavirus pandemic can be found here.

For those of you who were unable to attend or would like to view the presentation again, a recording of the webinar can be found here. Additionally, the presentation deck and the chart comparing the two loan programs are available separately for your review (now updated to reflect new regulations issued the night of April 2, 2020).

If you had a question that was not answered during the presentation, please feel free to reach out to any of attorneys Jeff Loeb, David Glod, J. Allen Holland or Frank Gaeta.
