Kennedy Cameron Joins Rich May

By: Rich May

Rich May P.C. is excited to welcome Kennedy Cameron to the firm. Kennedy will spend the first year of her practice working with all of the firm's departments, before choosing a practice group to join.

"Kennedy was our star summer associate last year and has hit the ground running here at Rich May," says Attorney Tony McGuinness. "As a first-year law associate, Kennedy has already demonstrated exceptional dedication, legal insight, and a passion for providing top-tier service to Rich May's clients. I look forward to witnessing Kennedy's continued growth and contributions to Rich May and the legal profession as a whole."

We are thrilled to have Kennedy join the Rich May team!
