Looking Back on the Firm's Community Engagement in 2024

By: Rich May

We at Rich May are dedicated to engaging with and supporting our communities, both as a firm and individually. This support can take many forms. Many of our attorneys provide pro bono legal services to organizations whose missions we believe in. Others serve on boards of directors for charities or community groups. Some donations take the form of monetary contributions, or contributions of time and services. In each case, we seek to leverage our experience and resources to improve our communities and amplify underrepresented voices.

Here are just some of the organizations that the firm or individual attorneys supported in 2024:

ACLU

Alzheimer's Association

Americans for Oxford, Inc. – Keble College

Asian American Civic Association

Becket-Chimney Corners YMCA

Belmont Hill School

Blue Heron Renaissance Choir Inc.

Boston Area Rape Crisis Center

Boys and Girls Club of Boston Inc

Bowdoin College

Dana-Farber Cancer Institute
