By: Rich May

Rich May attorney A.T. Desta will serve as M.C. for the Steppingstone Foundation's annual Fundraising Gala hosted at the Fairmont Copley Plaza Hotel on Thursday, November 9, 2017 at 6pm.

The Steppingstone Foundation develops and implements programs that prepare underserved but motivated students for educational opportunities that lead to college success. Steppingstone programs emphasize rigorous standards and have had noteworthy success in achieving meaningful and life-transforming results.

Each year, Steppingstone's fall gala brings together hundreds of supporters to celebrate Steppingstone and the Scholars and families it serves. Last year's event raised more than \$1,000,000 to support Steppingstone Scholars. This year's event will host 400 of Steppingstone's most generous donors from Boston and will honor the board chair, Brian Conway of TA Associates, for his 20 years of service.
