Rich May Client Definitive Healthcare Acquires HIMSS Analytics

By: Rich May

Rich May congratulates client Definitive Healthcare on its acquisition of HIMSS Analytics.

HIMSS is a world-class provider of predictive models and assessment tools for data analytics. Definitive Healthcare will immediately integrate these tools to bolster its industry-leading healthcare market intelligence platform. Jason Krantz, CEO of Definitive Healthcare, expressed his enthusiasm for the acquisition, referring to the tools developed by HIMSS as “strong change agents during a pivotal time in healthcare.”

A Rich May team led by Scott Stokes and Arvid von Taube assisted Definitive Healthcare with the negotiation and completion of the transaction.
