## Rich May Client Definitive Healthcare Acquires Software Analytics Firm PatientFinder

By: Rich May

Congratulations to Rich May client Definitive Healthcare on its recent acquisition of PatientFinder, a software analytics firm focused on assisting life science and healthcare companies identify patient clusters that would benefit from their products. By adding PatientFinder, Definitive bolsters its already robust portfolio of healthcare market data solutions. Jason Krantz, CEO of Definitive Healthcare, called the acquisition an industry milestone: "It's demonstrative of our commitment to enabling client growth by integrating patient and provider insights... for strategic analytics, go-to-market planning, and field execution."

A Rich May team including [Bob Tedesco](#), [Arvid von Taube](#), [Matthew Sweet](#), and [Scott Stokes](#) assisted Definitive Healthcare with the negotiation and completion of the transaction.

For more information on the acquisition, [Click Here](#).

### About Definitive Healthcare
