## Rich May Client Evidox Acquired by QDiscovery

By: Rich May

Rich May congratulates its client, Evidox on joining QDiscovery, a leading provider of electronic discovery and digital forensic services.

Evidox will continue operating under its own name but with the expanded resources and reach of QDiscovery. Dana Conneally, Chief Strategic Officer of Evidox, expressed enthusiasm following the transaction: "It was important for us to join forces with a company where we can all continue to grow. The innovation at QDiscovery is enticing, and we are excited to contribute to it."

A Rich May team led by [Scott Stokes](#) and [Arvid von Taube](#) assisted Evidox with the negotiation and completion of the transaction.

For information on the acquisition, click [here](#).

### ABOUT EVIDOX

Evidox is a high-quality provider of eDiscovery and litigation technology services including preservation, collection, processing, hosting, production and presentation of electronic evidence. Evidox was founded with the goal of differentiating the company from other vendors by maintaining a legal-centric approach focused on simultaneously reducing the cost and improving the quality of eDiscovery. The company's motto is: "eDiscovery is not a technical issue; it is a legal issue with a technical solution." For more information, please visit the company website at [www.evidox.com](http://www.evidox.com).

### ABOUT QDISCOVERY

QDiscovery is a premier provider of electronic discovery and digital forensic services across the entire EDRM spectrum.
