By: Rich May

Rich May congratulates its clients Boston Common Asset Management, Cape Cod Five, Massachusetts Medical Society, the Pine Street Inn and P. J. Spillane Co. on being named among the top 100 women-led businesses in Massachusetts by the Boston Globe.

The Commonwealth Institute, a nonprofit that supports female business leaders, and the Globe Magazine partnered again this year to rank the best companies and nonprofits led by women. Rankings were determined by TCI's formula which considered variables such as revenue or operating budget, number of full-time employees in the state, workplace and management diversity, and innovative projects.
