

## Commercial Real Estate

### OVERVIEW

At Rich May, P.C., our real estate attorneys focus on creating value. We approach real estate transactions strategically and creatively, working with our clients to develop the most advantageous plan to gain the maximum value from their investments. We are not just “dirt lawyers,” but trusted advisors addressing investment objectives, risk management, tax, and exit strategies.

We offer a full range of legal services to the real estate industry, and to our corporate clients with real estate needs. Our clients include owners, developers and lenders active in development, acquisitions, sales and financing. We also help our business clients meet their real estate needs, from leases and acquisitions to construction and development of corporate campuses. Our services include:

- Acquisition and disposition of commercial and industrial properties throughout the United States
- Real estate and commercial finance, including debt, equity and conduit financing
- Development of residential, commercial, office, retail and industrial projects, throughout New England
- Leasing for commercial, office, retail and restaurant landlords and tenants
- Transaction structuring, tax planning, entity selection and formation
- Liquor licensing for restaurants, retail, and breweries
- Cannabis Control Law
- 1031 exchanges
- Franchise leasing and development
- Telecommunications facility siting under local, state and federal laws,
