Seventeen Rich May Attorneys Honored by Super Lawyers

By: Rich May

Rich May is proud to announce that seventeen of our attorneys have been recognized by Super Lawyers. This year's honorees include four "Rising Stars," and Scott Stokes, who was once again named to the Massachusetts Top 100 List.

Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. Annual Super Lawyer selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates, and peer reviews by practice area. The result is a credible, comprehensive, and diverse listing of exceptional attorneys.

Only 5 percent of all lawyers in New England are listed as Super Lawyers. The Super Lawyers lists are published nationwide in Super Lawyers Magazines and in leading city and regional magazines and newspapers across the country.

Rich May attorneys were recognized for their expertise and experience in the law firm's diverse practice areas including Business/Corporate, Litigation, Securities and Corporate Financing, Energy and Natural Resources, and Real Estate. This is the sixteenth year in a row that seven or more Rich May attorneys have been selected as Super Lawyers. The following attorneys were selected this year:
