Sixteen Rich May Attorneys Honored by Super Lawyers

By: Rich May

Sixteen Rich May attorneys have been honored by Super Lawyers. Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement.

Annual Super Lawyer selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates, and peer reviews by practice area. The result is a credible, comprehensive, and diverse listing of exceptional attorneys.

Only 5 percent of all lawyers in New England are listed as Super Lawyers. The Super Lawyers lists are published nationwide in Super Lawyers Magazines and in leading city and regional magazines and newspapers across the country.
