By: Rich May

We are proud to announce that 21 of our attorneys at Rich May have been honored by Super Lawyers, showcasing their dedication and proficiency in the field. Among this distinguished group, six have been designated as "Rising Stars." Additionally, Scott Stokes continues to impress, securing his position on the Massachusetts Top 100 List again.

Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. Annual Super Lawyer selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates, and peer reviews by practice area. The result is a credible, comprehensive, and diverse listing of exceptional attorneys.

Only 5 percent of all lawyers in New England are listed as Super Lawyers. The Super Lawyers lists are published nationwide in Super Lawyers Magazines and in leading city and regional magazines and newspapers across the country.

Rich May attorneys were recognized for their expertise and experience in the law firm's diverse practice areas including Business/Corporate, Litigation, Securities and Corporate Financing, Energy and Natural Resources, and Real Estate.
